From the Baron and Baroness

I have only a short letter to write from Ismenia and I this month. As most of you know by now, we have a busy schedule this year. And if you intend to travel, the schedule gets even busier! Not counting our own events of note, we have the Estrella War in February, TFYC in March, Grand Outlandish in May, the kingdom's fifth year event in July, and finally, a Northern Outlands cooperative event in September. What a mess! I will take time later to expound upon the latter events, but closest to my heart and mind are the two coming up in February and March, namely, Estrella War, and TFYC. At the Feb. populace meeting, I would like to get all the fighters that are going to the War to give me a piece of paper, or come speak with me concerning what they are fighting with. This will help me to better organize the melee teams and assign sub-captains. Also I will be assigning Baronial war shields to you if you are to be a shieldman(woman). I have no way to carry 8 of these beasts down, but each of you should be able to carry one. We are fighting with the Principality of the Sun on Atenveldt's side this year. Fighters! To the greater Glory of Unser Hafen and the Outlands!

Now on to the (usually) gentler arts. The Kingdom wishes to get together 10 non-laural projects for display at TFYC, if any of you wonderful artisans in our fair Barony have something that you wish to get onto the list, contact Mistress Jean, the kingdom A&S minister to get it entered, and then Ismenia or I so that we know that you are on the list when we are asked details. I would like to see as many of our more-than-worthy artisans display at TFYC as possible! I myself would not wish to be baron anywhere else but here!

New members to our fair barony, Failte! Try to come and see me or my lady Ismenia at populace meeting, we look forward to it.

Kevin Ismenia

P.S.
Fighters and prospective fighters, don't forget the baron's whim tournaments starting in January...

SENESCHAL'S REPORT

First off, I would like to thank everyone who helped to set up and clean up the Dance Collegium. Hopefully our cleanup for this event will help the Barony retain the Holy Family Church as a potential site. Two big issues to address this month: WAR and KINGDOM ARTS AND SCIENCES. WAR is of course the Estrella war to be held the 16th and 17th. His Excellency will need every sword our Barony can field so get your armor ready! Arrange a ride or flight! Non-fighters are also essential to the effort as water bearers, banner bearers, and moral support are essential to our Barony's performance. Artisans don't forget you make a difference too, all A&S entries help Unser Hafen and the Outlands. Final note for fighters- nothing short of Pennsic is as incredible an SCA fighting event such as this. You have to see it to believe it. Six Hundred fighters per side! Two hours of non stop war! GO IF AT ALL POSSIBLE! UNSER HAFEN NEEDS YOU!

Kingdom A&S is also right around the corner here in our Barony. Unser Hafen is gifted with a plethora of gifted and talented artisans. This event is your chance to shine! This event is here so get-a-going. Arts and Sciences have always been this Barony's forte' let's support our well earned reputation!

Final note very soon it will be time to start thinking about possible Demos for the summer months and in late spring and early fall. The Barony is planning to participate in the St. Patrick's Day Parade in March but work is also under way to start doing demos in Greeley and Loveland. Now is the time for us to start developing these areas that are such an important part of our Baronial territory. Wellington, Estes Park, Timnath, and Bellvue and several other communities all are part of their Excellencies holdings and the Unser Hafen community needs to include all these villages and towns. All Baronial populace members are encouraged to provide me with any information about these communities that would assist us in doing demos and exhibitions in these areas. Please let me know if You know about an event or celebration the SCA could participate in.

Yours in Service to Barony, Kingdom and the Roman Empire,

LORD TITVSCLAVDIVS SEVERV

SPQR

P.S. I WOVLD ALSO LIKE TO THANK OVR DANCE TEACHERS, INSTRVCTORS SERVERS, AND COOKS FOR THER HARD WORK AT DANCE COLLEGIVM.

Greetings Unto the Populace of the Barony of
Unser Hafen from the Knight Marshal

The big news this month is of course the Estrella War. To avoid unnecessary headaches at the War, make sure that your authorization is current and your armor is in good repair. The Outlands will be allied with Atenvelt this year. Combat archery is going to be used in one of the battles this year, so be prepared. Unser Hafen will be fighting as a unit, and the event qualifies for a campaign stripe. There will be no fighter practice on February 15 due to the War.

Due to a scheduling conflict with the site, we have had to move the time for fighter practice. Instead of starting at 1:00 and going to 4:00 on Sundays, we will start at 4:45 and go to 8:15. Practice is still on Sundays at the fieldhouse on the CSU campus. I apologize for any problems the later time causes, but the site is ideal for fighter practice, and this is the best time we could get.

To eliminate any confusion about the Order of the Warriors of Unser Hafen, I have decided to print the entire charter for the Order. The Order of the Warriors of Unser Hafen will remain an unofficial organization so this is the "official" unofficial charter.

CHARTER FOR THE ORDER OF THE WARRIORS OF UNSER HAFEN

I. There shall exist in the Barony of Unser Hafen an award known as the Order of the Warriors of Unser Hafen, which may be given by the Baron and Baroness of Unser Hafen, subject to the pleasure of the Crown, to those persons who meet the following requirements. Failure to maintain any of these conditions may be considered grounds for revoking the award at the descretion of Their Excellencies.

IA. The fighter must be authorized.
IB. The fighter must own a complete suit of armor and a weapon.
IC. The fighter may be from any group which is not another Barony.
ID. The fighter must agree to serve the Barony of Unser Hafen when the Barony takes the field as a unit.
IE. The fighter must be acceptable to Their Excellencies.

II. The insignia of this order shall be a favor consisting of a golden portcullis on a green field. This award will be displayed by a favor to be affixed to a belt.

I. Campaign stripes shall be awarded for each Baronial conflict in which e warrior participates. A Baronial conflict is defined as any melee that e Barony takes part in a as Baronial unit. One campaign stripe shall be arded per event even if multiple battles were fought. The campaign stripe all consist of a pair of crossed spears to be stamped on the favor.

. The holders of this award shall be styled as a Warrior of Unser Hafen. e order carries no precedence.

Their Excellencies shall have final decision making ability as far as mbership in the order and the awarding of campaign stripes.

. The Knight Marshal shall maintain records for each member of the Order. ese records will list where each campaign stripe was earned.

st but not least, congratulations to Lord Gerald An Ard. He received his ll earned award of arms at Twelfth Night. If you have any questions or mments, please don't hesitate to contact me or my deputies, Lord Gerald An d or Aedan. Keep your sword held high.

Lord Eilen of Shadowraven

Feb 2 - Blacksmithing Guild at Thorfinn's, 1PM, beginner class 4.

Apr 6 - Blacksmithing Guild at Thorfinn's, 1PM, beginner class 6.

Greetings Unto the Populace, from the Hospitaller:

In her monthly letter to all the Kingdom Hospitallers, Lady Francesca has pointed out the seeming unpopularity of borrowing garb from the loaner box. (We dont have the correct sizes or what we have to lend isn't what anyone wants to wear.) When we attend our first event, the thing that impresses us the most is the clothes. What gets put into the loaner box, however, is the stuff we no longer care to wear.
Here in Unser Hafen, we do have a very nice selection of loaner garb, but I do see Lady Francesca's point. Newcomers want to wear clothes that are equally as good as everyone else so they can fit in.
So...here are a couple of suggestions:
If any of you have garb that you would be willing to lend, let me know what sizes you have and I will keep a list for future reference.
Also, I would like to hold INFORMAL sewing sessions at my house to help anyone who needs garb. Lady Averick has agreed to attend to discuss chosing a period name. We have the availability of 3-4 sewing machines, so not having one wont be a problem for those interested. I would appreciate the help of anyone willing to discuss chosing or not chosing a persona, and anyone who has a specific period style of clothing they excel at making.

And now for something different...If you are new to the SCA or the Barony of Unser Hafen, as of January 1990, please call me and tell me your mundane/SCA names, address, phone number and your first event. I have a few of you newcomers written down, but I know I dont have everyone. Please dont leave this info on my answering machine. If call and cant reach me, leave your name and number, I'll get back to you. Thanks.

If you have loaner garb, or know someone who does, please call and let me know or bring it to fighter practice. I have Forward into the Past and This is the Current Middle Ages if you need them.

I remain in your service,

Medhbh O'Duibhdabhoireann

SECOND VERSE ... SAME AS THE FIRST

Unser Hafen's February salon will be held on Saturday, February 23, 1991, in the Everitt Plaza conference room located at 2900 South College Avenue, Fort Collins. (Remember to look for the sign as you come in the entrance of the First Interstate Bank, etc.) As before, we will be gathering between 7:00 and 7:30 p.m. for wine, cheese, finger foods and conversation, with the salon itself beginning PROMPTLY at 7:30 p.m. Please don't forget to come in persona or to bring your garb, a goblet, a pillow to sit on (if you wish), and $2.00 for the site fee.

We hope to be able to arrange for a professional storyteller (bard) to attend on February 23 and regale us with one or more period tales. If you have any other ideas for or a subject on which you might like to expound at this or future salons, please contact Milady Flyte c/o Teri Cor at 482-1056 or 493-8673 so that this can be arranged.

As always, you are encouraged to bring and share with the rest of us whatever tidbits of literature, history, or other information about your period/persona/area of expertise that you like. The nature of the salon affords all of us an opportunity to discuss and learn from such interchanges. This is by no means mandatory, however; everyone is more than welcome whether they are moved to speak or no. If you simply have a subject that you are interested in, and would like to know more about, please let me know that as well, so that perhaps someone knowledgeable on that topic can be found.

I hope to see everyone there who is not attending the Love Revel in al-Barran (which includes most of you, presumably). Until then, be careful out there, et tenete traditionum.

UNIVERSITY OF CAERTHE Are you uncertain how to address a viscount - is it "Your Excellency", or is that reserved for barons? When you come before the King and Queen do you bow or do you kneel? And for just what accomplishments is the award of The Stag's Blood given? This month Master Hagar the Black will discuss "Protocol and Awards in the SCA". Whether you are new to the Society or an old-timer you will find it interesting.

We will meet at 7:30 P.M. on the fourth Wednesday of the month, February 27, at the home of Amelia von Altburg - 9901 East Evans Avenue, #28D, Denver. All are encouraged to attend. CAER GALEN BENEFIT RIF RAF REVEL
March 9, 1991

We're trying to make it convenient for yoose guys. So here's the deal. We move the Benefit Revel later in the spring, sos ya got the Christmas baubles paid for. But ya see, we carefully place it early enough so that the tithes to the Great Godfather Samuel are only a bad smell on the horizon. Then, we gets together with lots of good potluck food, and then we redistributes stuff in the traditional manner. But wait, ya say, what stuff?

Guido and Nunzio on behalf of her MistressShip are suggestin thats yoose might wants to start layin aside trinkets to donate. Ya know, the odd place setting where Uncle Francisco used to sit, the bodice, chemises and tunics that no longer fit because of Mama Celeste's cooking, the armour and weapons that Cousin Joey won't be using since his little accident. Camping Gear, Cooked delights, Books, Fabric and Trim, and the odd brass knuckle and Ninja Knife, and whatever else yoose can think of. And if yoose thinks quickly, we don't gotta helps ya think.

Mistress Elizabeth Freemountain

Boulder, CO 80304
303-442-3421

The Caer Galen Rif Raf Benefit Revel will be held at the Crossroads Mall Meeting Place, in Boulder. The site, which is small but cheap, will open for set up at 5:00 pm for those with lots of donations, and at 6:00 for the Hoi Polloi. This is a potluck supper. There is a sink and counter, but no other kitchen. The Site Fee is a dish for the supper, or $2.00. Karmic Opportunities are $1.00 each at the event.
